ABHI RAJ G.N

Architectural 3D Visualizer | Interior and Exterior Visualization | Site Coordination

Sharjah, UAE | +971 56 159 56 56 | abhiraj696@gmail.com

Visa status: Residence visa valid up to 25 DEC 2026 | UAE driving licence: Waiting for Final Road Test.

PROFESSIONAL SUMMARY

Architectural 3D Visualizer with 7+ years of experience, including 2 years in the UAE, producing photorealistic renderings, walkthrough animations and 360 tours for villa, residential, commercial and landscape projects. Experienced in taking projects from concept development through 3D visualization, client presentation and on-site execution. Skilled in 3ds Max, Corona Renderer, V-Ray, Lumion and D5 Render, and currently expanding into Unreal Engine for real-time visualization and VR.

CORE SKILLS

- 3D Interior Visualization
- 3D Exterior Visualization
- Villa Interior Design Visualization
- Landscape Visualization
- Kitchen Design and Custom Furniture Modelling
- Photorealistic Rendering
- Walkthrough Animation
- 360 Virtual Tour
- Site Supervision and Site Execution
- Project Management and Turnkey Project Handover
- Client and Design Team Coordination

SOFTWARE

- **Rendering and Modelling:** Autodesk 3ds Max, Corona Renderer, V-Ray, Lumion, D5 Render
- **Real-Time and VR:** Unreal Engine (developing)
- **Drafting:** AutoCAD (2D and 3D)
- **Post-Production:** Adobe Photoshop, Adobe Premiere Pro
- **Presentation:** Microsoft PowerPoint

PROFESSIONAL EXPERIENCE

3D Visualizer and Site Coordinator | Almas Furniture and Designs, Sharjah, UAE

October 2024 - Present

- Lead the 3D visualization process from concept to final presentation, delivering photorealistic interior and exterior renderings.
- Developed visual presentations that communicate design intent, materials, finishes, furniture, lighting, and spatial character.
- Delivered 3-4 UAE kitchen projects and several villa interiors from concept development to completion, covering 3D visualization and site coordination.
- Coordinate between design, production and site teams to keep installed work aligned with the approved 3D designs.

Architectural 3D Visualizer and Project Manager | Infra Nova, India

December 2019 - September 2024

- Managed 15+ turnkey projects from concept development through to client handover.
- Collaborated with architects, interior designers and project managers to build accurate 3D models that matched design intent.
- Produced interior, exterior and landscape visualizations for residential and commercial clients.

3D Visualizer | Bloc Hous Architects and Engineers, India

June 2019 - November 2019

- Created photorealistic renderings, walkthrough animations and PowerPoint presentations to support project proposals and marketing.

KEY ACHIEVEMENTS

- 7+ years of architectural visualization across residential, commercial, luxury villa and landscape projects.
- Managed several turnkey projects managed from concept to handover.
- 3-4 UAE kitchen projects and several villa interiors delivered end to end, from 3D concept to site completion.
